9. (Confidential - JGO) Met with Mr. Robert Lockhart, House Post Office and Civil Service Committee staff, and told him that the Agency had been in contact with Mr. Edward A. Schroer, of the Civil Service Commission. There was no intent on the part of the Commission to include the Agency in Sections two and three of the Federal Executive Service bill, H. R. 3807. We are assured that the Chairman will make appropriate reference for exclusion of the Agency in his testimony before the Committee presently scheduled for 13 April. Mr. Lockhart told me that Representative Wilbur Mills (D., Ark.) had written the Committee requesting exemption for the Internal Revenue Service from the provisions of H. R. 3807. A copy of Representative Mills' letter has been forwarded to the Civil Service Commission with the suggestion that this matter also be included in the Chairman's presentation on the 13th. Meeting of the full Committee is scheduled for 20 April with the Hanley bill well down in the list of items for inclusion in the agenda.

13. (Secret - GLC) Met with Jane McMullan, on the staff of the Senate Appropriations Committee, and briefed her on the compartmented clearances for which she was cleared access in response to Bill Woodruff's request and obtained from her the appropriate security oaths.

I left with Miss McMullan for Mr. Woodruff two copies of the Director's statement on the intelligence community for Mr. Woodruff's use.

I told her we would drop by her office and pick up the Senator at approximately 1140. He would then join the Senior Seminar Group for lunch and a talk.

15. (Confidential - GLC) Mr. James Gehrig, Staff Director, Senate Committee on Aeronautical and Space Sciences, asked if I could check to see if the following individuals have compartmented clearances: Captain Donald Jarrell, Major Harold Caylor, and Col. 16. (Secret - GLC) Bill Woodruff, on the Senate Appropriations Committee, called to say in view of commitments which Senator Ellender had made without Woodruff's knowledge, they would be unable to schedule the briefings on the intelligence community and the CIA budget as he had requested. He said it was possible that they would like to schedule hearings around 17, 18, 19 of this month, but this is very indefinite. If those dates are not feasible, Woodruff said that these briefings would have to be put off to the first week in May.

Woodruff mentioned he briefed Senator Milton Young (R., N. Dak.) on the latest reserve withdrawal. He said that Senator Young, who was usually philosophical about these withdrawals, expressed concern and said he might want to talk to the Director about it. We will alert the Director about the possibility of a question from Senator Young about this.
